Brad Pitt

1 Brad Pitt was born on December 18th, 1963 in Shawnee Oklahoma. Brad was the oldest of three
2 children in his family. His mother was a school counsellor and his father owned a trucking firm. It
3 wasn't long at all until his family moved to Springfield, Missouri, it was there that Brad spent his
4 highschool years at Kickapoo highschool. Brad was active on various sports teams, a member of
5 the choir as well as being a key figure on his debate club, on top of all that Brad was a big part of
6 the student government. Brad's childhood was fairly normal, happy family, lots of friends,
7 camping trips, but there was one thing about Brad that made him unique, he loved movies! Brad
8 was a full blown movie buff right from the get go. He often spent time at the drive in theatre with
9 his family and friends.

10 Brad attended the university of Missouri, and his majors were journalism and advertising. He was
11 a hard worker in university but "Got into enough trouble to keep things interesting," as he puts it.
12 Leaving college two credit hours short of graduation, Brad hopped in his car named "runaround
13 Sue" and was bound for California. Brad arrived in Los Angeles, and a new life had started for
14 him. He was young and ambitious and had \$325 in his wallet.

15 Brad was looking for work. His first job of his 'new life' was handing out free cigarette samples in
16 front of a restaurant dressed as a big chicken. With whatever money he could salvage went to his
17 community theatre acting lessons. Slowly Brad worked his way into television and soon after the
18 film industry. Brad's first feature film role was as a cowboy in the 1991 Thelma and Louise.
19 Although this movie only provided the young star with 14 minutes of screen time Brad made such
20 an impact that you could have guessed that in a few short years he would be one of Hollywood's
21 top actors.
