SOLUCIONS

Per accedir a tots els cicles formatius de grau superior

TEXT COMPLERT.-

Best friend donates kidney:

Derek Marshall and Bill Brough: Lifelong friends

1 A remarkable friendship will go a step further on Wednesday when Bill Brough
2 will **receive** a kidney from his best pal Derek Marshall. The rare friend-to-friend
3 **1** organ transplant at Newcastle's Freeman Hospital, will be one of only a few to
4 be carried out **in** the UK. The pair, from Teesside, have known each other since
5 their school days. If the two-hour operation is a success, it will mean 54-year-old
6 Mr Brough, whose kidneys **were** damaged by Legionnaire's Disease, will be able
7 to live a near-normal life.
8 Mr Brough, who **runs** a shipping company, contracted the disease on a trip to
9 **2** Mexico in 2001. Mr Brough said: "I really don't know how long I would survive
10 without Derek's help. Everyone has friends, but **I** don't think many have a friend
11 like this."
12 Unlike kidneys obtained from donors after death, the transplant has a good
13 **3** chance of success as long as the donor is fit and healthy and has the same blood
14 group as the recipient.
15 The transplant will free Mr Brough from four-hour sessions on a kidney machine
16 three times a week. The pair have **known** each other since they were youngsters
17 **4** at Whinney Banks Primary School in Middlesbrough. Mr Marshall, 56, who
18 comes from Middlesbrough, used **to** run his own haulage business before
19 **joining** Mr Brough's firm.
20 He said: "If you were a brother you wouldn't **hesitate**. I can manage perfectly
21 well with one kidney." Mr Brough, who lives in Great Ayton, Teesside, was told
22 **5** he would have to rely on kidney dialysis for the rest of his life, unless a suitable
23 donor could be found.

SOLUCIONS.-

- A)
1. a) a
 2. c) receive
 3. b) in
 4. a) were
 5. d) runs
 6. c) I
 7. d) known
 7. a) to
 8. b) joining
 10. d) hesitate

- B)
1. pal
 2. damaged
 3. disease
 4. fit/healthy
 5. lives

- C)
1. d)
 2. b)
 3. a)
 4. c)
 5. c)

PAUTES DE CORRECCIÓ.-

El total de punts que es poden obtenir és de 10. Estan distribuïts de la següent manera:

Número de pregunta	Tipus de correcció	Punts màxims
A)	OBJECTIVA. 0,25 punts per resposta encertada	2,5
B)	OBJECTIVA. 0,25 punts per resposta encertada	1,25
C)	OBJECTIVA. 0,25 punts per resposta encertada	1,25
D)	SUBJECTIVA. Excel·lent/molt bona..... 5 Bona..... 4 Acceptable..... 3 Pobra..... 2 Molt pobra..... 1	5
