... Peter.

I'm very happy to be your new pen friend. I'm 18 years old and I ... born in Portugal but I ... all my life in Barcelona. My parents came ... Catalonia to work when I was very little ... they speak to me in Portuguese and I travel to Oporto to see my family every summer. I finished high school last June and in two weeks I'll start working in a bakery ... a sales assistant. The money is not very good but the people are very nice and I'm sure ... a lot. I live with my parents in a big flat and we have a dog, Sam. He's my ... friend, I take him to the park every morning and also in the afternoons, when I come home from work. I don't have ... of hobbies but I enjoy reading and swimming. I won a medal two years ago! I have a brother ... is very good at football but he lives with his wife and son in another village so I can't.

... with him very often.

Well, I hope you'll reply to me soon. I hope we can be friends for a long time.

All the best,

TRAFFIC ACCIDENT REPORTS: CIRCUMSTANCES

I was driving along Oak Road on my way to the opera house. Right in front of me, at a distance of 10 metres approximately, a bus was going in the same direction. Just then, the bus suddenly braked to avoid crashing into a car coming right from the opposite direction. The car was going to turn into Hailey Street, blocking the bus's way.

It was getting dark and it was raining heavily. The pavement was slippery and the bus was making it difficult for me to see so I braked but it was impossible for me not to crash into the bus.

As a consequence the right light broke and the right window can't open properly.
